*\$35 per person*

*Dining al fresco is the way to enjoy our amazing L.A. weather. During summer's lazy days catch a great film on the lawn at Cinespia or perhaps a melodic evening at the Hollywood bowl. Take along a gourmet picnic bag from **grocerie**, and be the envy of your lawn or box neighbors! In our "harsh" california winters take one to the park or beach and be the envy of your East Coast friends!*
